

# RE'01 Program at a Glance

	09:00 -10:30	10:30 -11:00	11:00 -12:30	12:30 -2:00	2:00 -3:30	3:30 -4:00	4:00 -5:30	Evening Events	
<b>Mon 27th August</b>	Tutorial T1: <b>Karen Breitman and Julio Leite</b> "Requirements Elicitation through Scenarios"			Lunch	Tutorial T2: <b>Daniel Amyot and Gunter Mussbacher</b> "Use Case Maps - Bridging The Gap Between Requirements And Design"				
	Tutorial T3: <b>Michael Jackson</b> "Problem Frames"								
<b>Tues 28th August</b>	Tutorial T4: <b>Anthony Hall and Rosamund Rawlings</b> "Bridging the Gap: from User Needs to Solution Definition"			Lunch	Tutorial T5: <b>Don Gause</b> "A Requirements Architecture for Assessing Design Risk"			Welcome Reception	
	Tutorial T6: <b>Mike Mannion and Hermann Kaindl</b> "Requirements-Based Product Line Engineering"								
	Doctoral Workshop								
<b>Wed 29th August</b>	Welcome and Opening Remarks  ---  Keynote: <b>Pamela Zave</b> "Requirements for Evolving Systems: A Telecommunications Perspective"	Break	P1: Paper Session: Representing & Communicating Requirements	Lunch	P3: Paper Session: Organisational Issues I	Break	P4: Paper Session: RE Methods & Processes	Reception and KMDI Evening Panel Session on "Designing for the User"	
		P2: Paper Session: Requirements for Product Lines	Poster and Demos Session I		Minitutorial: <b>Dave Parnas</b> "Systematic Documentation of Requirements"				
		S1: State of the Practice Talks: <b>Jeff Voas;</b> <b>Merlin Dorfman</b>	S2: State of the Practice Talks: <b>Michael Jackson;</b> <b>Ben Kovitz</b>		S3: State of the Practice Talks: <b>Ron Kohl;</b> <b>Hermann Kaindl</b>				
		Exhibition							
		Exhibition							
<b>Thurs 30th August</b>	Keynote: <b>Gene Spafford</b> "The Hidden Meta-Requirements of Security and Privacy"	Break	P5: Paper Session: Scenarios & Requirements Negotiation	Lunch	P6: Paper Session: Organisational Issues II	Break	P7: Paper Session: Formal Methods & Tools	Symposium Banquet in the Ballroom of the Royal York Hotel	
		Minitutorial: <b>Axel van Lamsweerde</b> "Goal-Oriented Requirements Engineering"	Posters and Demos Session II		Panel Session: "Systems or Software: What should the 'S' in SRE stand for?"				
		S4: State of the Practice Talks: <b>Anthony Hall;</b> <b>Richard Stevens</b>	S5: State of the Practice Talks: <b>Brian Lawrence;</b> <b>Don Gause</b>						
		Exhibition							
		Exhibition							
<b>Fri 31st August</b>	Keynote: <b>Lucy Suchman</b> "Practice-based Design"	Break	P8: Paper Session: Requirements & Design	Lunch	P9: Paper Session: Requirements for Critical Systems	Break	Keynote: <b>Michael Lowry</b> "Requirements Engineering and Program Synthesis: Mutually Exclusive or Synergistic?"		
		S6: State of the Practice Talk: <b>Ian Alexander;</b> <b>Brian Miller</b>	Panel Session: "Extreme RE: What if there's no time for Requirements Engineering?"		---				
		S7: State of the Practice Talks: <b>Linda Rosenberg;</b> <b>Ivy Hooks</b>			Closing Remarks				
		Closing Remarks
