

# Exploring COMPUTER SCIENCE

**A full day of exciting activities for  
Grade 9 students!**

If you enjoy science and math, come  
find out how including computer  
science in the mix can allow you to:

- ✓ **Make an impact on the world  
around you**
- ✓ **Take your science further**
- ✓ **Contribute to advances in  
nearly any area of life**

**Friday, December 10<sup>th</sup> 2010**  
**University of Toronto**

St George Campus (Downtown):
