Constitution of the Computer Science Graduate Students’ Benevolent Society (CSGSBS)

September 28, 2017

1 Name

The organization shall be called the “Computer Science Graduate Students’ (Benevolent Society | Union)”, CSGSBS or CSGSU for short. Acceptable variants of the organization’s name must match this regular expression:

`"Computer Science Graduate Student(s’)?|’s)? Benevolent(t|ce) (Society|Union)"`

2 Objectives

1. To act as a course union for the graduate students of the Department of Computer Science (“the Department”) at the University of Toronto (“the University”), within the Graduate Student’s Union.

2. To improve the working, academic, and social environment of graduate students in the Department of Computer Science at the University of Toronto.

3. To provide representation of our members in university processes, such as department committees and CUPE 3902/GSU meetings.

4. To inform, discuss, and act upon issues of importance to our members.

5. To coordinate events of interest to our members.

3 Bylaws

3.1 General Powers and Obligations

1. The CSGSBS has the right to represent its members in university and student affairs.

2. The CSGSBS has the right to act accordingly to achieve the objectives set out in Section 2.

3. The CSGSBS is a non-profit organization and must act accordingly. All funds generated by the society must be used towards the objectives enumerated in Section 2.

3.2 Membership

All full and part-time graduate students of the Department of Computer Science are members of the CSGSBS. Only said graduate students may be members of the CSGSBS. We will herein use “CSGSBS member” and “CS graduate student” interchangeably.
3.3 Executive Council

1. The governing body of the club shall be known as the CSGSBS Executive Council. This body has the power to represent all CSGSBS members and to pass resolutions affecting any aspect of the society.

2. All executives must be members of the CSGSBS.

3. The CSGSBS Exec shall contain the following voting positions:
   (a) a President
   (b) a Treasurer
   (c) at least two Social Coordinators (not to exceed six)
   (d) at least one GSU representative (maximum number determined by the GSU Council)
   (e) at least one CUPE 3902 representative (maximum number determined by CUPE 3902)
   (f) at least one Pop Master for Sandford Fleming (not to exceed two)
   (g) at least one Pop Master for Bahen (not to exceed two)
   (h) at least one Webmaster (not to exceed two)

4. Multiple Executive Council positions can be held by one person, except for the positions of President and Treasurer, which cannot be held by the same person. Executive Council members receive one vote per person, not one vote per position.

5. Departmental committee representatives are non-voting positions of the Executive Council. These positions should be filled by election in the Fall general meeting; if left open after the meeting then they can be appointed by the President.

6. The Executive Council may also contain other non-voting positions that are to be created or altered on an annual basis by the Executive Council. Examples of such positions include “SF popmaster”, “Bahen popmaster”, and “Pratt popmaster”.

7. The Term of Office for positions begins on June 1st and ends on May 31st of the next year. For executives either elected in a by-election, or appointed by the Executive Council, their term begins the day afterwards, and ends the following May 31st.

8. If for any reason an executive feels they cannot fulfill their responsibilities, they should resign.

9. If an executive repeatedly neglects their duties, they can be dismissed by a unanimous vote of the other executives. Any position thus left vacant should be filled as soon as possible.

3.4 Determination of the Executive Council

1. A majority of the voting positions of the Executive Council must have been voted in by a general election of the membership. Provided the majority of voting positions of the Executive Council are filled, should any positions be left vacant after the May election, these positions may be filled by appointment, by the President.

2. The President must have been elected. Should a President resign or be removed from office, a general by-election will be immediately held in-person or by online voting.

3.5 General Meeting

A general meeting shall be held at least twice per year (preferably in May and September). General meetings serve as a way to discuss improving the CSGSBS, voting on constitutional changes, and general elections.

1. All members shall be encouraged to attend and vote at the general meetings.

2. The meeting must be announced to the mailing list of CS graduate students.
3. Quorum for general meetings shall be 10% of current active membership of the CSGSBS (graduate students who are not on leave). If 10% of the current active membership is less than 15, then 15 members are needed for quorum, provided membership exceeds or is equal to 15 members.

4. The President, with a minimum of one-week notice, can call general meetings.

5. Candidates must be members in order to run, and the Executive Council must provide a formal process for candidates to be nominated.

6. Approval Voting is to be used as the voting system.

7. Candidates are allowed to campaign in any “reasonable” manner they please. Any gross violations of “reasonable manner” can result in the termination of the candidacy by a unanimous vote of the Executive Council.

8. Elections held at a General Meeting may proceed by using show-of-hand voting.

4.5 Budget

1. At the beginning of every academic year (September), a budget must be passed. The budget must be either at a general meeting, with 50% support, or by online poll. An electronic vote must have 15% of the general membership vote, with 50% approval.

If the limit is calculated as being less than the projected expenses for the year, the maximum spending that can be budgeted can then be the sum of:
   - 10% of the initial funds in all accounts
   - precisely known sources of income for the new year
   - 105% of the previous year’s income from imprecisely known sources of income for the new year

5. For CSGSBS funds to be used for food or a social event, the event must be open and advertised to all CSGSBS members.
