

FROM DCS TO IBM: Lunch with an Alum & the Chair

Wednesday, February 12

Featuring Special Guest

JULIE CHAN

Executive Project Manager, IBM Canada Ltd.
HBSc 1982

Join Chair Sven Dickinson and Julie Chan for lunch at the department. This is your unique opportunity to ask questions and get advice from an alum who's made a highly successful jump from the department to "the real world"!

Guest biography:

Julie S. Chan is a Certified Executive Project Manager in IBM's Global Business Services. With over 25 years of consulting and program management experience, Julie brings a unique blend of both skills to provide value-added leadership to her projects. She has a successful reputation for client service and delivery excellence in large, challenging and complex engagements. Julie manages teams across Canada and globally that blend technology with organizational and business change. At DCS, Julie has dedicated time to providing guidance to students, participating in the mentorship program for several years, and serving as a panelist in last October's "How to Interview for Jobs in Computing" event.
