

Computer Science
UNIVERSITY OF TORONTO

Please join us for the

DCS Undergraduate

Project Showcase

Thursday, August 22, 2013

2:00-4:00 pm

BA 3200

The department invites guests to learn about the computer science research and development projects being undertaken by undergraduate students. Projects will be displayed in an open house format; come see what the students have been working on!

Light refreshments will be served.

RSVP by August 20 at
