FROM DCS TO CEO:
Lunch with an Alum & the Chair
Thursday, October 25

Featuring Special Guest

SHAWN KONOPINSKY
Partner & CEO, Nascent Digital
Hons. BSc 2005

Join Chair Sven Dickinson and Shawn Konopinsky for lunch in the Chair's Office. This is your unique opportunity to ask questions and get advice from an alum who's made a highly successful jump from the department to "the real world"!

Guest biography:

Shawn Konopinsky is an award-winning technology innovator with a passion for finding creative software solutions to business problems. He is the founder of Nascent, a boutique user experience design and development consultancy in Toronto. With over seven years of experience in the field of interactive interface design, Shawn is a recognized leader in the space, especially in the areas of touch and gestural technology.

Shawn's skills were honed as a Program Manager for Microsoft Office before founding Infusion's User Experience practice in 2006. Shawn holds a BSc in Computer Science with a focus on Human/Computer Interaction from U of T, where he is currently teaching the third-year course CSC300: *Computers and Society*.
