

**UNIVERSITY OF TORONTO**  
**FACULTY OF ARTS & SCIENCE**

**Konrad Group Women in Technology Scholarship**

Konrad is a leader in cutting-edge mobile, web and social application development. As an integrated team of specialists, the team provides strategy, architecture, design and development for some of the greatest brands and agencies. Founded by three University of Toronto alumni, Konrad Group is dedicated to recognizing and supporting the next generation of innovators at U of T.

Konrad Group Women in Technology Scholarship will recognize a student who demonstrates creativity and innovation with respect to the field of technology. One student recipient will be chosen to receive a \$2,000 award.

**Eligibility Criteria**

- Must be a 3rd or 4th year female undergraduate enrolled in Computer Science Major or Specialist program.
- An unofficial course transcript from Acorn.
- Award will be made on the basis of academic achievement and the quality of a brief essay.
