

PHD GRADUATE COURSE AND BREADTH PLAN OF STUDY

To be completed and submitted to the Graduate Office (gradoffice@cs.toronto.edu) within 30 days from your start date.

Name: (Please Print)	Student #:
Supervisor: (Please Print)	Date:

PHD DEGREE PROGRAM REQUIREMENTS:

- Students that have completed their Master’s degree are required to take at least 4 graduate level half-credit courses to fulfill their PhD course requirements.
- Courses must cover 4 different Research Areas. Students in the direct PhD must complete 8 half-credit courses in 4 Research Areas (RA) and 3 Methodologies (M). Research Areas and Methodologies can be found on the Graduate course timetable on the DCS website.
- Students can request a transfer credit for graduate courses which were completed but never used toward the requirements of another degree, diploma, certificate or any other qualification.
- Students entering with an MSc from another university can request a Course breadth credit evaluation by filling in the Request for Breadth Credit Evaluation form.
