Wabi –The Best of Both Worlds

Product Features

- Runs Windows 3.1 compliant applications on UNIX Systems
- Supports cut, copy and paste between Windows applications
- Supports OLE/DDE between Windows applications
- Preserves Window application richness
- No MS-Windows or MS-DOS license required
- Full access to UNIX system resources – printers, serial ports, file systems
- Supports multiple simultaneous Windows applications and users
- Wabi is integrated with the operating system, making it a native Windows on UNIX solution, unlike previously available emulation solutions

Application Support

SunSelect certified applications for Wabi 1.0 include:

- Lotus 1-2-3 for Windows
- Lotus AmiPro
- Microsoft Word for Windows
- Microsoft Excel
- Microsoft PowerPoint
- Microsoft Project for Windows
- WordPerfect for Windows
- Harvard Graphics for Windows, Software Publishing Corporation
- Aldus PageMaker
- PROCOMM PLUS for Windows, DATASTORM Technologies, Inc.
- CorelDRAW!, Corel Corporation
- Paradox for Windows, Borland International

Other MS-Windows applications are compatible, but not yet certified.

Wabi ISV Certification Program

Ongoing ISV self-certification program to ensure application compatibility.

- Available to ISV's June 1993
- Free preview copy
- Self-certification program and support provided by SunSelect
