

UNIVERSITY OF  
TORONTO

Department of Computer Science

---

Dear Participant:

Thank you for participating in our study entitled “Investigating the effectiveness of a language for specifying time based satisfaction, and simulation for goal models with dynamism”.

Would you like to be entered into a draw to win a number of \$50 Amazon gift certificate(s). We will offer 1 gift certificate for every 15 participants, ensuring that you have at least a 1/15 chance of winning. Participation in this draw is voluntary.

\_\_\_\_\_ Yes

\_\_\_\_\_ No

If you answered yes, please provide either an email address or a telephone number so that we may contact you in the event that you are winner.

---

All completed forms will be kept in a locked filing cabinet at the University of Toronto for up to 30 days after the completion of this study.
