

Due: Tuesday, September , 9PM
NOTE change of due date!

This assignment is worth 2% of final grade as part of your 20% for class participation.

In at most a two pages (pdf) response, tell me briefly about yourself. Indicate why you have chosen this course, and do you have plans for what majors/specializations you are considering. What do you believe will be the most significant differences (if any) between High School and University Education. Have you taken any CS courses or have any relevant CS background? Look over the topics discussed in the previous 2022 and 2023 offerings of CSC196 (and any other great ideas you think should be considered). and select and rank the 3 topics of most interest to you.
