NOTE:

- The last page of the exam contains supplementary material for questions 3, 4, 5, 8 and 9.
- Question 6(b) builds on your answer to question 6(a). To make sure that you have the correct answer to 6(a), you are required to answer that question on the separate sheet (not the exam booklet) and to hand in your answer before attempting 6(b). Once you've handed in 6(a), you will be given the correct answer to 6(a). Your answer to 6(b) must be written in the exam booklet.
- There are 9 questions on the exam and the exam is marked out of 100.
