Course Notices

You are responsible for announcements made in lectures and on the website.

Course Grading Scheme

Assignment 1 10% Post: May 24 Due: June 13
Assignment 2 15% Post: June 14 Due: July 11
Assignment 3 15% Post: July 5 Due: August 2
Test 1 15% in class June 21
Test 2 20% in class July 19
Test 3 25% in class August 9

All assignments must be typed and are to be submitted on the due date before 5PM. There will be no marking for assignments that are not typed. Written remarking requests(concise reports attached to the paper copy of your assignment) must be received no later than 2 weeks after the marked assignment was distributed in class. All assignments might be done in groups of two students, both enrolled in this section of the course. In order to pass the course, an average of at least 50% of the overall test grades must be obtained.

Late Policy

Penalties for each homework are 20% for each day after the due date. If you are late you must send me your assignment via email as a plain ASCII, postscript or PDF file.

Email

Please follow this rules:
- the subject line must contain "CSCC43" and, if possible, a short description of the content
- no attachments, no HTML, no MIME encoding, no MS Word and no hotmail!
