Course Notices

You are responsible for announcements made in lectures and on the website.

Course Grading Scheme

Assignment 1	10%	Post: May 24	Due: June 14
Assignment 2	15%	Post: June 14	Due: July 5
Assignment 3	15%	Post: July 5	Due: July 26
Midterm	20% in class June 21		
Final	40% during the exam period		

Assignments 1 and 2 must be typed and are to be handed out on the due date at the beginning of the lecture. There will be no remarking for assignments that are not typed. Written remarking requests(concise reports attached to the paper copy of your assignment) must be received no later than 2 weeks after the marked assignment was distributed in class. Assignment 3 will be submitted electronically. All assignments might be done in groups of two students.

Late Policy

Penalties for each homework are 20% for each day after the due date. If you are late you must send me your assignment via email as a plain ASCII, postscript or PDF file.

Email

Please follow this rules:
- the subject line must contain “CSCC43” and, if possible, a short description of the content
- no attachments, no HTML, no MIME encoding, no MS Word and no hotmail!
