Please print this cover page two-sided (the back is supposed to be upside-down), fill out both sides, and attach it to the front of your homework. Please read and understand the policy on Academic Offences given on the Course Information Sheet, then to protect yourself, list below every source of information you used to complete this homework (other than your own lecture and tutorial notes, the course webpage, and the lecture notes), e.g., the name of every student with whom you had discussions, the title of every additional textbook you consulted, the source of every additional web document you used, etc.
