CSC104 Update

- Test 2: will be waived to Test 1 and/or Exam (more on that shortly)
- Quizzes 4-6: working with TAs to get marks posted
- Quizzes 7-9: plan for these to continue as normal, with weekly exercises
- Project 1: marking will begin soon - expect it to take at least another week though
- Project 2: will be posted soon

Reweighting Test 2

- Waived to the better of your Test 1 and your Exam, following the same weighting scheme
- If you do **better on Test 1** than the Exam: Test 1 weighted 18%, Exam weighted 43%
- If you do **better on the Exam** than Test 1: Test 1 weighted 6%, Exam weighted 55%

Questions?

- Anything potentially of interest to other students in the course: please use the course discussion board
- In-person: Mondays 2:30-4pm, Wednesdays 11am-12:30pm in BA2230 (bring your TCard and swipe to join the help queue)
- Email - please use sparingly and only for questions that are specifically about your situation, not course content. I have over 1000 students now, so replies may take awhile…
