Instructor

Gary Baumgartner  
 Office: BA 4262 (behind South elevators, beside CS Undergraduate Office)  
 – initial office hours: M3-5, T1-3, or by appointment  
 Email: [gfb324@cs](mailto:gfb324@cs.toronto.edu) (add [.toronto.edu](mailto:gfb324@cs.toronto.edu) or [.utoronto.ca](mailto:gfb324@utoronto.ca))  
 Phone: 416-978-5181

Lectures and tutorials

Lectures: MW 1 in RW 117  
 Tutorials: F 1 in TBA, starting in 2nd week of classes.

Prerequisites

CGPA 3.0 / enrolment in a CSC subject POST : If you don't have this prerequisite you must contact the CS department immediately to discuss your situation.  
 CSC 207, CSC 236/240 : If you don't have these prerequisite courses you must contact me immediately to discuss your situation.

Marking scheme

Work	Weight	Details
Assignments (5)	45%	A0 worth 5%, the rest worth 10% each.
Midterm	10%	50 minute test during Week 8 Wednesday lecture.
Final exam	45%	You must get $\geq 40\%$ on the exam to pass the course.

Assignments

Assignment specifications will appear on the website, along with electronic submission details.  
 Each assignment is due on a Tuesday by 5pm.  
 There is a late penalty of  $(h^2/48 + h)\%$  of the earned mark, where  $h$  is the number of hours late.  
 If the assignment is specified in "parts", any penalty for a part is calculated by the latest file for that part.

Term schedule

Week	Dates	Course Dates	Reminders
1	11 - 15 Sep
