

Am F
Hey it's Prof. Guerzhoy
C C G/B
From the office down the hall
Am F
What's your student number?
G C/G G
How've you been?

Fdim7
Things have been okay for me
Am Am7/G D7/F#
Except I'm a professor now
G
I really wish you'd let us in

F C
And I think I speak for all of us
E7 Am
When I say I understand
F C E7
Why you folks might hesitate to submit to
Am
our demands

F
But despite your strong dissent
Fm
Exam's worth seventy percent (WITH AN
AUTOFAIL)

Chorus:

C G F G
All we wanna do is eat your grades
C
We're not unreasonable
G F
I mean most of you are gonna pass
C G F G
All we wanna do is eat your grades
Am Em
If you're not sleeping here you're gonna
F
fail the class
F F/E Dm F
And if you open up the door, we'll all
F/E F G C
come inside and eat your grades

Am F
I don't wanna nitpick here
C C G/B
But is this really your plan

Am F
Spend the whole month locked in the
G C/G G
EngSci lounge?

Fdim7
Maybe it's okay for now,

Am Am7/G D7/F#
but next week the exams will have begun

G
And soon you'll have to take the plunge

F C
Not surprised you haven't really thought
E7 Am
it through enough

F C E7
I have seen your code and well, it's not

Am
really up to snuff

F
So grade is what we do, and this month
Fm
we're grading you
(VERY FAIRLY)

C G F G
All we wanna do is eat your grades
C

We're not unreasonable
G F
I mean most of you are gonna pass

A G F G
All we wanna do is eat your grades
Am
If you're not sleeping here you're gonna

F
fail the class
F F/E Dm F
And if you open up the door, we'll all
F/E F G C
come inside and eat your grades

Am F
Gotta go to lecture now
C C G/B
Maybe we could wrap this up
Am F G C/G G
I know you'll get that iron ring somehow
(How?)

Fdim7

Meanwhile I'll report back to my
colleagues

Am Am7/G D7/F#
Who are grading behind the door

F
I think we'll table this for now

F C E7
I see your degrees' value is increasing
Am
as we speak

F C E7
We're upholding standards here, it's not
Am
some fit of pique

G
And we'll put this thing to bed
Fm
When I [give you a mark commesurate with
your efforts as accords the University of
Toronto's academic rules and regulations]

(Chorus)

C G F G
All we wanna do is eat your grades
C
We're not unreasonable
G F
I mean most of you are gonna pass

A G F G
All we wanna do is eat your grades
Am
If you're not sleeping here you're gonna
F
fail the class

F F/E Dm F
And if you open up the door, we'll all
F/E F G C
come inside and eat your grades
