

University regulations require you to file this form with your department or program by the end of the first week of classes. If you make subsequent changes, file a new form.

Course: _CSC320H1S_____

Instructor's Signature: ___Kiriakos Kutulakos_____

Please read the following notes carefully to ensure that your marking scheme for this course conforms to Faculty regulations. Details of these regulations are in the Academic Handbook Part 1: Course Information for Instructors, available at <http://www.artsci.utoronto.ca/main/faculty/acaresources>

MARKING SCHEME REGULATIONS

You must inform the class of this scheme early in the term, and at the latest before the last date to add or change courses. You cannot change this scheme after that date without the consent of the majority of the class.

After the last date to withdraw from a course (see below) you can make no change in weight without **unanimous consent** of all students who are present and voting, and you must give notice at the regularly scheduled meeting of the class previous to the one at which the issue is to be raised

TERM WORK and TEST REGULATIONS

Instructors shall return **by the deadline** one or more marked assignments worth a combined total of at least 10% of the total course mark for H courses and 20% for Y courses. The deadline for returning such marked work shall be the last regularly scheduled class meeting prior to the deadline to cancel without academic penalty, with one exception: for courses that run the entire Fall/Winter Session (Y1Y or H1Y courses), the deadline shall be the end of the first week of classes in January.

YOU CANNOT HOLD A TERM TEST OR A COMBINATION OF TERM TESTS WORTH MORE THAN 25% IN THE LAST 2 WEEKS OF CLASSES.
Note: "take-home exams" and "final examinations" held while classes are still meeting are term tests, not final examinations.

One marks component can be class participation. There are several other points; see Academic Handbook.
