

## Lateness Policy

All homework assignments are due by *6:00pm* on the due date indicated above. Assignments handed in late will be penalized by taking off a certain percentage of the maximum marks, while assignments handed in early will be rewarded by giving you a certain percentage of the maximum mark as bonus. The bonuses and penalties are summarized in the table below.

Time of Submission	Bonus/Penalty
by 6:00pm on Monday	+5%
by 6:00pm on Tuesday	+2%
by 6:00pm on Wednesday	0%
by 10:00am on Thursday	-10%
by 6:00pm on Thursday	-25%
by 6:00pm on Friday	-50%
after 6:00pm on Friday	-100%

Note that even three minutes after the due time is considered late, so don't take any chances! **The late policy is strictly enforced.**

## Plagiarism

Learning how to program and how to reason about programs is like learning how to play a musical instrument: the only way is practice. For this reason, all of the work you submit must be your own. Plagiarism is a form of academic fraud and is treated very seriously. **The assignments you hand in must not contain anyone else's ideas or work.** In particular, the actual writeup of your assignments must be done in isolation from others (and without copying from notes or other sources). This ensures that your solution is truly your own, that you understand the course material, and that your grade reflects your own understanding.

Note that it is a serious offense to help someone commit plagiarism. *Do not let others look at your solution, even in draft form, even after the deadline for submission.*

Please do not commit plagiarism, for your own sake. If you are having trouble with the course, come speak to us, that's why we're here! Please read the *Guidelines for Avoiding Plagiarism* page for more details.

## Remarking

Requests for remarking must be accompanied by a *written* request explaining in detail what your concern is. Requests for remarking must be submitted no later than one week after the assignment or test has been returned to the class.

## Important Dates

September 9	Fall term classes begin.
September 22	Last day to add courses with an F section code.
October 14	Thanksgiving; University closed
October 18	Examination timetable for F section code courses posted
November 3	Last day to drop courses with an F section code.
December 6	Last day of classes
December 9-18	Final Examinations
