

University of Toronto

CSC408F/CSC2105F Software Engineering

Fall 2004/2005

Instructor Dr Yijun Yu
Office: Bahen Centre, Room 7200
Telephone: (416) 946-8530
e-mail: yijun@cdf.toronto.edu

Office hours after lectures and by appointment

News Group ut.cdf.csc408h

Web Page www.cdf.toronto.edu/~csc408h/fall/

Slides CDF: ~csc408h/fall/pub/slides

The course news group and web pages will be used for communication between lectures. All students are expected to read the course news group on a regular basis.

Lectures Thursday 19:00 .. 21:00 SF1101

Tutorial Thursday 18:00 .. 19:00 SF1101(There is no tutorial for the first week.)

Text Hans van Vliet, Software Engineering - Principles and Practice (2nd ed.) John Wiley, 2000

Marking	Mid Term Test	15%	28 Oct
	Final Exam	35% (A final exam mark below 30 is a fail.)	TBA
	Course Project	50%	(see project handout for due dates)

Term test and Final Exam will be open book and notes.

Course Project

The course project will involve reengineering of a large software system. Students will work in teams. The details of the project will be provided in separate handouts. To successfully finish the project, you need to put what have learnt in the classroom into engineering practices.
