

Department of Computer Science, downtown campus
Job Posting - Teaching Assistant Position – CUPE 3902, Unit 1
Fall 2025 term (September 11, 2025 – December 31, 2025)
or up to January 9, 2026)

Posted on September 8, 2025 as an Emergency Posting

The Department of Computer Science seeks ~2 TA(s) for the following course:

CSC108H1F – Introduction to Computer Programming

Visit link for course description: <https://artsci.calendar.utoronto.ca/course/csc108h1>

CSC108H1F-C: Office Hours and Marking TAs

Qualifications

Must be enrolled in, or have completed, an undergraduate program in Computer Science. Experience with programming, such as by completing a 200-level CSC course, or by achieving excellent marks in multiple 100-level CSC courses, or equivalent. Must have experience with Python, including the Python memory model and Python PEP-8 style guide, such as by completing CSC148 or equivalent. Must be enrolled in or have completed a computer science degree, or equivalent. Must be interested in teaching beginner programmers and willing to try different approaches when explaining simple concepts. This course has specific in-person, on-campus requirements as listed in the "Duties" section; please only apply if you can meet the availability criteria.

Relevant Criterion

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties:

All TA duties are in person unless otherwise specified. Office Hours TAs will be assigned to support students in office hours. TAs must prepare for office hours by reviewing materials and completing programming tasks either in-person or online. Other responsibilities can include: answering questions on the online discussion forum; providing feedback to students on submitted code; grading student work, including assignments, tests, and the final exam; invigilating tests and the final exam. All TAs must have access to a computer and a reliable high-speed Internet connection to complete assigned work. TAs must be able to install course software such as Python; a tablet computer such as a Chromebook or iPad is NOT sufficient. For any remote office hours, TAs must be willing and able to participate with their cameras on.

We are searching for TAs to cover these particular weekly office hours on campus for the full term:

Thursdays 12:30pm-1:30pm OR Fridays 12:00pm-1:00pm

In addition the successful candidate must have some availability to grade on campus during the following grading periods: **October 8-11 AND November 12-17, 2025**

This course also requires all TAs to be available to mark the final exam in-person during regular business hours. The final exam date is determined by the Faculty of Arts & Science and may be scheduled between Dec. 5-23. The exam schedule is released in November 2025. Every effort will be made to schedule and complete the exam marking within 5 business days after the final exam date. TAs may be required to complete grading January 5-9, 2026 if the exam is scheduled during the last few days of the exam period. The University is closed for the holiday break between December 24, 2025-January 4, 2026.

Positions Available: 2

Hours of work: 60 hours

Estimated Course Enrolment: 2000

Rate of Pay: \$52.97 /hour (+ vacation pay)

Application Process

Apply online at:

<https://tapp.cs.toronto.edu/hash/external/postings/yUB45rEM1hZ2PE7HLfh3JgnN>

In your application you will be asked to provide a brief response to the following questions for CSC108H1F-C

- CSC108H1 teaches the foundations of computer programming in Python to students with no prior programming experience. Based on the qualifications of this posting, please briefly describe how your experience (e.g. academic history, research, past TA experience, projects, and/or professional experience) make you qualified for this position.
- Confirm you have availability to run office hours on campus weekly Thursdays 12:30pm-1:30pm OR Fridays 12:00pm-1:00pm (identify the specific time(s) you are free).
- Confirm you have some availability to grade on campus for the marking period of October 8-11 AND November 12-17

The deadline to submit your application is **Wednesday September 10, 2025 at 11:59pm EST**. For more information, you may contact:
