# Department of Computer Science, downtown campus
## Job Posting - T*eaching Assistant Position – CUPE 3902, Unit 1*
## Fall 2025 term (September 1, 2025 – December. 31, 2025)

**Posted on July 17, 2025 as an Emergency Posting**

The Department of Computer Science seeks ~2 Prep TA(s) for the following course:

**CSC271H1Y-Prep** – Computational Principles and Methods for Data Science

**Visit link for course description: https://artsci.calendar.utoronto.ca/course/csc271h1**

**Note:** Prep TAs are hired to do preparatory work for 2026 courses during the Fall term. They are not hired as regular TAs for Fall course offerings.

### Qualifications

Strong Python programming, software engineering, and data science skills. Must be enrolled in or have completed a computer science or data science degree, or equivalent. Must have experience with databases and SQL such as by completing CSC343H1 or significant project experience. Must have experience with web programming such as by completing CSC309H1 or significant project experience.

Must have experience with Jupyter notebooks for programming and data analysis. Must have experience with Pandas, NumPy, Matplotlib and related data science libraries. Must have experience creating and using software packages, using the command-line, using git and GitHub, using web APIs, and using regular expressions for processing and transforming text. Must be able to typeset using LaTeX.

Must have prior experience teaching introductory computer science, such as being a teaching assistant for CSC108/CSC110/CSC111/CSC148. An interest in pedagogy is an asset.

### Relevant Criterion
Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

### Duties

Developing new assignments, including assignment handouts, starter and solution code, and an automated test suite, and marking instructions. Must have some in-person availability Monday to Friday, 9 AM to 5 PM, for meetings with the supervisor.

**Positions Available:** up to 2

**Hours of work:** 30 hours

**Estimated Course Enrolment: N/A**

**Rate of Pay:** $52.97/hour (+ vacation pay)

### Application Process:

Apply online at: https://tapp.cs.toronto.edu/hash/external/postings/GbgH95Gg5Z6mXx5Xb52uLD67

In your application you will be asked to provide a brief response to the following question:

- Based on the qualifications of this posting, please briefly describe how your academic history, and/or research and professional experience make you qualified for this position.

The deadline to submit your application is **Monday July 21, 2025 by 11:59pm EST.** For more information, you may contact:

**Patrina Seepersaud,** Admin Staff
