CSC443H1F: Regular TAs

Qualifications

Must be enrolled in, or have completed, an undergraduate program in Computer Science. TAs should have ideally taken courses similar to CSC343H1, CSC369H1, CSC373H1/CSC375H1, and CSC443. Programming experience in a low-level language like C++ or Rust is needed.

Relevant Criterion

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties

Some duties are in person, some duties are remote. TAs will help with grading the midterm and student group project. They will also help with answering student questions on Piazza.

This course also requires all TAs to be available to mark the final exam. The final exam date is determined by the Faculty of Arts & Science and may be scheduled between Dec. 5-23. The exam schedule is released in November 2025. Every effort will be made to schedule and complete the exam marking within 5 business days after the final exam date. TAs may be required to complete grading January 5-9, 2026 if the exam is scheduled during the last few days of the exam period. The University is closed for the holiday break between December 24, 2025-January 4, 2026.

Positions Available: 6

Hours of work: 60 hours

CSC443H1F-Lead: Lead TA

Qualifications

Some duties are in person, some duties are remote. The lead TA should have ideally taken courses similar to CSC343H1, CSC369H1, CSC373H1/CSC375H1, and CSC443, attaining grades of at least an A. Programming experience in a low-level language like C++ or Rust is needed. Previous TA in CSC443 or preferred.

Relevant Criterion

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties

The lead TA will coordinate TA grading efforts for the midterm, final exam, and student group project. The lead TA will also take a more active role than the other TAs in answering questions on Piazza. The lead TA will also lead a few, though not all, tutorial sessions throughout the semester.

This course also requires all TAs to be available to mark the final exam. The final exam date is determined by the Faculty of Arts & Science and may be scheduled between Dec. 5-23. The exam schedule is released in November 2025. Every effort will be made to schedule and complete the exam marking within 5 business days after the final exam date.
