

**Department of Computer Science (St. George campus)
Job Posting – Teaching Assistant Position (CUPE 3902, Unit 1)
Fall 2026 term (September 1, 2026 – December 31, 2026 (or up to January
11, 2027))**

Posted on June 8, 2026 as a regular posting.

The Department of Computer Science seeks 3 TA(s) for the following course: **CSC207H1F – Software Design.**

Visit link for course description: <https://artsci.calendar.utoronto.ca/course/csc207h1f>

Position Title

Software Design - Office Hour/Classroom TAs

Qualifications

Must be enrolled in, or have completed, an undergraduate or graduate program in Computer Science. Strong knowledge of IntelliJ, Java, GitHub, and git. Enthusiasm for helping students troubleshoot software installation problems and strong problem solving + communication skills. Familiarity with a wide range of technologies related to Java development is valued. Must already have, or be enrolled in, a computer science degree (or equivalent). Previous experience as an office hours TA is a plus, as is professional programming experience.

Relevant Criterion

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties

Duties are in person unless otherwise indicated. Holding office hours in-person (some hours may be remote); answering student questions on piazza, with a focus on helping students with software installation problems, common git issues, and other technical issues that arise during software development; grading assignments and tests.

This course also requires all TAs to be available to mark the final exam in-person during regular business hours. The final exam date is determined by the Faculty of Arts & Science and may be scheduled between December 10 – 22, 2026. The exam schedule is released in November 2026. Every effort will be made to schedule and complete the exam marking within 5 business days after the final exam date. TAs may be required to complete grading January 6-11, 2027 if the exam is scheduled during the last few days of the exam period. The University is closed for the holiday break between December 24, 2026 – January 5, 2027.

Positions Available

3

Hours of Work

60

Estimated Course Enrolment

870

Rate of Pay

\$53.92/hour (+ vacation pay)

Application Process

Apply online at: <https://tapp.cs.toronto.edu/hash/external/postings/6dhi7oHxP5tWY8HKcsXmYqHV>

In your application you will be asked to provide your CV and academic history. In addition, you will be asked to provide a brief response to the following question(s):

Please highlight what experience you have that would make you a strong candidate to support students in office hours and during class as they learn about Java, teamwork, and software design for the first time.

The deadline to submit your application is **July 2, 2026 at 11:59pm ET**. For more information, you may contact:

Patrina Seepersaud, TA Support Assistant
