Fall 2026 term (September 1, 2026 – December 31, 2026 (or up to January
11, 2027))**

Posted on June 8, 2026 as a regular posting.

The Department of Computer Science seeks 1 TA(s) for the following course: **CSC317H1F – Computer Graphics**.

Visit link for course description: <https://artsci.calendar.utoronto.ca/course/csc317h1f>

Position Title

Computer Graphics - Lead TA

Qualifications

Must be enrolled in, or have completed, an undergraduate or graduate program in Computer Science. TAs should have familiarity with video streaming and editing software, git and the C++ programming language. Ideal candidates will have completed a course in either computer graphics, physics simulation or geometry processing. Previous TA for CSC317H1 required.

Relevant Criterion

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

Duties

Duties are in person unless otherwise indicated. The Lead TA will assist in the development of questions, solutions, and grading schemes for course assessments. Their duties will also include marking questions on tests; coordinating the marking of programming assignments with other CSC317 TAs; holding weekly in-person and offline office hours; answering student questions on Piazza; coordinating remark requests; and possibly conducting tutorial sessions and review sessions.

This course also requires all TAs to be available to mark the final exam in-person during regular business hours. The final exam date is determined by the Faculty of Arts & Science and may be scheduled between December 10 – 22, 2026. The exam schedule is released in November 2026. Every effort will be made to schedule and complete the exam marking within 5 business days after the final exam date. TAs may be required to complete grading January 6-11, 2027 if the exam is scheduled during the last few days of the exam period. The University is closed for the holiday break between December 24, 2026 – January 5, 2027.
