

CSC290. Networking Tutorial

Write down the names of the people at your table today:

1. What is one memorable thing about you that will help others remember you?

2. What help can you offer your classmates?

3. What help can others provide to help you succeed?

4. Write down the names and contacts of at least three new people you met today:

Name	Contact	Notes

After class, fill in some notes about what you found interesting about the person, and how you might follow up.
