

# CSC290 Communication Skills for Computer Scientists

## Tutorial 7

October 30, 2018

## Present Practice

- ▶ Groups of 4 person per table.
- ▶ You will each deliver a short presentations about how to handle a scenario from Tutorial 5.
- ▶ Spend 10 minutes to review your presentations.
- ▶ Each person will have 4 minutes to present, plus 4 minutes for feedback.

# A Good Presentation

- ▶ **Goal:** clear goal, with focused content that supports the goal
- ▶ **Audience:** mindful of the audience interests and capabilities
- ▶ **Structure:** sensible, flows well
- ▶ **Research:** knowledgeable presenter

# A Good Delivery

- ▶ **Body language:** upright, open posture
- ▶ **Eye contact:** look at entire audience
- ▶ **Volume:** audible
- ▶ **Cadence:** varied, not too fast or slow

# A Good Delivery

- ▶ **Body language:** upright, open posture
- ▶ **Eye contact:** look at entire audience
- ▶ **Volume:** audible
- ▶ **Cadence:** varied, not too fast or slow

We will focus on **delivery** today.

# Nervous?

- ▶ This tutorial is meant to give you practice presenting in an even smaller group.
- ▶ Receive feedback from a small number of people.
