Circle any feedback below that are true.

### Audience:

- The presentation contained words that I did not understand.
- The presentation flowed in a sensible way / had strange transitions.
- I understood the entire presentation.

### Delivery:

- The presenter looked friendly / closed-off / nervous / defensive.
- The presenter spoke too fast / too slow / unnaturally / in monotone / too quietly.
- Eye contact was constant / sparse.
- The presenter said ums / uhs / other filler words a few times / a lot.

### Comments:

How can the presenter improve the delivery?
